The 2017 Manitoba School Dragon Boat Challenge is taking place on **Sunday, June 4th**. This event will feature junior and senior high school students from all across the province competing for the title of Dragon Boat Champs. This event is in support of Canadian Cancer Society. Registration includes two, one hour practices, along with all the equipment and training necessary to compete. **Practices will be held at the MB Canoe & Kayak Centre at 80 Churchill Dr. (subject to change due to water levels)**

Teams are made up of between 16 and 24 students and teachers (**maximum 1 teacher per boat**) representing their school. All boats must have a minimum of 8 female paddlers to be eligible. A dragon boat holds 22 people and teams can have 2 alternates. All participants will be introduced to the sport of kayaking and stand up paddle boards.

Practices are held throughout the month of May (days, evenings, or weekends). All practices and events comply with the safety guidelines outlined in the Winnipeg School Divisions Field Trips & Excursions policies manual (Water/ Swimming Activities).

Teams that enter will receive pledge forms and have the option of fundraising for the **Canadian Cancer Society**. Fundraising is optional and very much appreciated by the charity. All the money raised goes directly to the Cancer Society. See www.cancer.ca to **pledge online** or contact dmcknight@mb.cancer.ca.
